any other information that the Board deems necessary to determine solvency or to process the petition and that is required by law; a profit and loss statement showing the preneed funeral establishment’s revenues and expenses prepared by a Certified Public Accountant no more than 60 days preceding the date of the application;

a list of each individual and entity that will agree to be held jointly and severally liable, in lieu of a surety, if a reimbursable claim is paid by the Board’s Preneed Recovery Fund on behalf of the preneed funeral establishment;
